## Software

- Revit
- AutoCAD
- Microstation
- Adobe CC

Showcase your software proficiencies. If you have graphic design skills, demonstrate your creative ability with your CV!

## Education

**Architectural University**  
DipArch RIBA Part III  
2007  
First-class honours

**London University**  
MA (Hons) RIBA Part II  
2003-2005  
First-class honours

**Uni Upon Thames**  
BA (Hons) RIBA Part I  
2002  
First-class honours

**How many pages?**  
Try to fit your work experience onto two pages. Make the information succinct and highlight the most important details so the document is not overwhelming at a glance.

**Want to run your completed CV past a professional?**

0203 854 2960

## Interests

## Work History

**Senior Architect**  
High-rise Design Specialists  
2015 - Present

List work experience in chronological order, including a summary of achievements, skills used, experiences and project exposure.

**Project Architect**  
City Architecture  
2012 - 2015

Leading a team of Architects and Technologists, from planning to handover on £500m Residential, Education and Healthcare schemes.

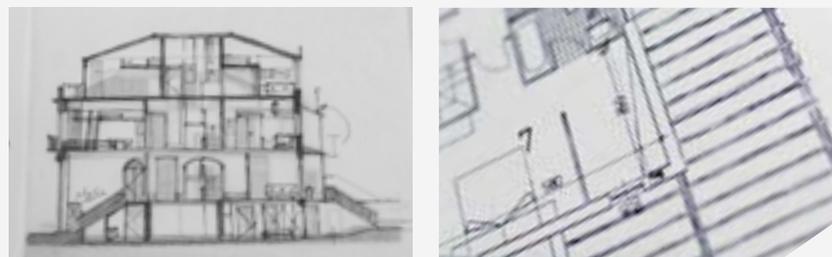

**Architect**  
City Architecture  
2007- 2012

Focusing on inner-city developments in the UK's major cities.

**Architectural Assistant (RIBA Part II)**  
Marie Louise Associates  
2005-2007

Focusing on high-end commercial offices, valuing £250m upwards

## Project Samples

If you have work samples, be sure to have a separate, well-presented portfolio, but also showcase some of your best drawings on your CV. Make sure the images are good quality (something better than these!)

Asmolt finihsed?  
Have youu spellchecked?

## References

**Professional**  
Provide the name and contact details of two most referees, ideally your two most recent employers.

**Academic**  
If you have recently qualified, you should also provide an academic reference.
